PROFIT GUIDANCE FOR THE FIRST-HALF FINANCIAL PERIOD ENDED 30 JUNE 2025

The Board of Directors (the “**Board**”) of LY Corporation Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to update its shareholders (“**Shareholders**”) that, based on the preliminary assessment of the Group’s unaudited financial results for the first-half financial period ended 30 June 2025 (“**1H2025**”), the Group is expected to report a loss for 1H2025.

The loss for 1H2025 is mainly attributable to a lower average selling price and higher cost of sales and operating expenses as further elaborated below:

- (a) decrease in the number of containers loaded with products (“**40-ft containers**”) due to lower demand from the Group’s customers from the United States of America;
- (b) decrease in the average selling price per 40-ft container due to the strengthening of the Malaysian Ringgit against the United States Dollar; and
- (c) higher expenses, including labour costs, subcontractors’ costs, freight and handling charges, and administrative and marketing expenses.

The Company is in the process of finalising its 1H2025 financial results and targets to release the 1H2025 results on or before 14 August 2025.

Shareholders and potential investors of the Company are advised to read this announcement and any further announcements by the Company carefully and exercise caution when dealing in the securities of the Company.
