PROFIT GUIDANCE FOR THE FIRST-HALF FINANCIAL PERIOD ENDED 30 JUNE 2026

The Board of Directors (the "**Board**") of LY Corporation Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to update its shareholders ("**Shareholders**") that, based on the preliminary assessment of the Group's unaudited financial results for the first-half financial period ended 30 June 2026 ("**1H2026**"), the Group is expected to report a loss for 1H2026.

The loss for 1H2026 is mainly attributable to a lower average selling price and high operating expenses as further elaborated below:

(a) decrease in the number of containers loaded with products ("**40-ft containers**") due to lower demand from the Group's customers from the United States of America;

(b) decrease in the average selling price per 40-ft container due to the strengthening of the Malaysian Ringgit against the United States Dollar; and

(c) high administrative and marketing expenses.

The Company is in the process of finalising its 1H2026 financial results and targets to release the 1H2026 on or before 14 August 2026.

Shareholders and potential investors of the Company are advised to read this announcement and any further announcements by the Company carefully and exercise caution when dealing in the securities of the Company.
